## Music Committee Report to the Board 8/2/13

The music committee met at R. Dan Nolan Middle School on Monday, July 22<sup>nd</sup>. The primary purpose of this meeting was to review new music to be added to the 2014 FOA Required Music List.

The following members of the committee were present at one or both meetings:

Sherry Lowe  
Robert Medlin  
Chris Rudacille  
Colleen Strom  
Valerie Terry  
Norm Vagn

The committee broke up into three groups to more efficiently address membership and publisher submissions. All submissions were considered on the basis of whether or not they met the rubric and would be appropriate for MPA. Over 200 titles from 11 publishers were reviewed and 118 were selected for addition to the music list, 39 changes to the list were reviewed, 5 titles were removed (3 were duplications), and 9 titles were updated pending Board approval.

If approved, this new music list would be in effect for the 2013 - 2014 MPA season. The membership of FOA is highly encouraged to submit more titles for review, either for inclusion or removal, as the committee relies heavily on the expertise of our membership to provide guidance in the reshaping of our music list.

Respectfully Submitted,

Robert Medlin  
FOA Music Committee Chair
