Music Committee Report to the Board 7/31/15

The music committee met at Martha B. King Middle School on Thursday, July 23rd. The primary purpose of this meeting was to review new music to be added to the 2015 FOA Required Music List.

The following members of the committee were present at the meeting:

Ken Bowermeister
Helene Franco
Robert Medlin
Colleen Strom
Steve Terry
Valerie Terry
Norm Vagn

The committee broke up into groups to more efficiently address publisher submissions. All submissions were considered on the basis of whether or not they met the rubric and would be appropriate for MPA. 258 titles from 12 publishers were reviewed and 112 were selected for addition to the music list.

Removed duplicate listing. This was originally listed as AF and was reclassified to BF, but the AF listing was still on the list.

AF	9039	Lancaster Overture	Whear	LUD
----	------	--------------------	-------	-----

If approved, this new music list would be in effect for the 2015 - 2016 MPA season. The membership of FOA is highly encouraged to submit more titles for review, either for inclusion or removal, as the committee relies heavily on the expertise of our membership to provide guidance in the reshaping of our music list.

Respectfully Submitted,

Robert Medlin
FOA Music Committee Chair
