## Currently in Handbook

Handbook Page 20

### **VII. Music Requirements for District and State**

B. Solo and Ensemble literature should be of a caliber appropriate to the level of the student  
performing, and to the formality of the event. Broadway show tunes, Disney songs, pop tunes,  
or movie themes are not acceptable for an event of this type, and will result in an entry being  
disqualified.

## Proposed Handbook change from the Ad hoc Committee

B. *Solo and Ensemble literature will fall into one of two categories.*

1. **Adjudicated performance:** *classical literature of a caliber appropriate to the level of  
the student performing and to the formality of the event. This category of performance  
at the District High School level; receiving a superior or excellent rating, would enable  
the student performer to go on and participate in State Solo and Ensemble.*

2. **Non-Traditional performance:** *published literature from Broadway show tunes,  
Movie themes, Disney songs, Pop tunes, Jazz styles, and Folk song would be given  
performance comments with no award of a rating. This category would not qualify High  
School students for participation in State Solo and Ensemble.*
