

PAC Committee Meeting

Virtual – 6/1/2020

Meeting called to order at 12:59 pm by President Davis

Following members of the President's Advisory Committee present:

Matt Davis	Valerie Terry
Jason Jerald	Nancy Beebe
Carol Griffin	Jennifer Haber
Donald Langland	

Discussions that followed were:

- District Chair training and the upcoming July Board meeting – decision was to proceed as normal with CDC Guidelines in place for all meetings
- FOA/FLASTA Fall Conference – recommendation to cancel the Fall Conference and possibly have sessions put online for directors to watch
- All State auditions – back up audition window and judging date. Also put out guidelines for recording auditions based on CDC Guidelines, and judging day at the hotel
- State S & E and State Concert MPA: possibly drop the prerequisite requirements and open both events up to the whole state. Look in virtual type S & E as per FSMA approval
- FMEA Clinic/Conference – currently we have NO information to base any decision upon
- Adjudication training – Suspend the September re-approval session. Those directors currently up for renewal will be added to next year's group. January new adjudicator training is on hold until FMEA makes decisions about the Conference

President Davis adjourned the meeting at 2:09 pm

Respectfully submitted

Donald K Langland, Executive Director

Florida Orchestra Association, Inc.
