Presidents Report

- All-State final reduction will take place on Saturday, October 18th. Thanks to those that are participating in this process.
- Adjudication training is also taking place on Saturday, October 18th. Thanks to those participating.
- FMEA conference is January 15-17, 2026.

Past President's report

- Working on reformatting the Handbook to make it easier to find things (i.e. bullet points, etc.)

FOA Awards

- Please nominate people who are deserving of the awards available.
- There is a QR code to ease in the nomination process.
- President Szarowicz thanked the Awards chair, Kayla Lisa and her committee, for all their fine work.
- Executive director mentioned that all the descriptions and guidelines for each award are available on the FOA website and nominations are due November 1st.

Unfinished Business

- Executive director commented on two motions (one from district 10 and one from district 18) that were sent to the MPA committee but no follow up had been made. These were concerning State Concert MPA. One was to move to performance blocks and one was the concept of moving to two sites to accommodate more schools. The MPA committee has met and discussed both motions and will be presenting the motion/s to the executive board in January.
